BERKLEY.

The special Council meeting called to consider the charges made against the Mayor, Mr. McCoy, by Councilman Parks and Police Officer Humphries, was held yesterday afternoon. Captain M. C. Keeling occupied the chair and the members present were: Messrs. Martin, Whitestone, Williams, Roach and Parks.

The charge of "incompetency and failing to carry out the town ordinances," made by Councilman Parks, was the first to be considered. The evidence was that Mr. Parks had secured a warrant for the arrest of a colored man for driving a cart on the sidewalk in front of his residence. When the case came before the Mayor he ruled that there was no ordinance prohibiting driving on the sidewalk and dismissed the warrant.

The Chair ruled that since the case had gone before the Mayor and he had passed his decision, the Council had no jurisdiction in the matter; that the higher courts only could be appealed to in such cases, and, further, that there was no specific charges; that they were general. This view was sustained by the Council and the Mayor was honorably acquitted.

THE SECOND CHARGE.

The next charge was that made by Police Officer Humphries, that the Mayor did not sustain him in making an arrest without a warrant, and not protecting the officers in the discharge of their duty. The evidence was that the Sergeant had given him (the officer) orders to take a trunk from a house where it was being held for board. The officer, in attempting to secure the trunk, was maltreated by the occupants of the house, who were negroes. The officer went to the Mayor to get a warrant for the arrest of the negroes for obstructing him in the discharge of his duty. The Mayor failed to issue a warrant. Mr. Keeling stated that the charges made against the Mayor by a petty officer should receive the individual attention of every member of the Council; that was a serious precedent if allowed to pass without due notice.

Whereas, a charge has been made against the Mayor by Police Officer Humphries of failing to protect the officers in the discharge of their duties; and

Whereas, the said evidence adduced has not, in their opinion, fully sustained the same, they are hereby dismissed. The Council wishes, however, to give it as their opinion that the ordinances of the city are not carried out with sufficient vigor and the Mayor is hereby instructed to see that all violations of the town ordinances be more rigorously enforced.

TROUBLE IN CUBA

A Revolutionary Party Established on the Island.

Has Agents in Every Large City and a Junta in Mexico—Gomez Refuses Offer of Permanent Residence—Another Cable.

(By Telegraph to Virginian-Pilot.)

Havana, July 18.—The truth regarding the recent proclamation issued in Matanzas shows that a regular revolutionary party has been established, with headquarters in Havana, its object being to incite Cubans throughout the entire country. This party has agents in every large city and also a junta in Mexico, one of the agents of which is now here. All this is perfectly well-known to the authorities, and no manifesto comes off the press without the Government receiving a copy of it. Of course, these inflammatory addresses are hurtful to the peace of the country, but it is generally considered that it would work more harm to arrest the leaders of the movement, who would undoubtedly pose as martyrs, which is seemingly their desire.

Each province has, or will have, an address widely circulated, signed by some prominent name sufficiently common to be borne by many, and thus to prevent the accusation of forgery.

ANOTHER APPEAL.

One such appeal recently issued in the province of Santiago read as follows:

"With my soul stirred with enthusiasm by your dignified action under the humiliating conditions in which we are placed by the intervening government, I raise my voice to you, brave comrades and obedient soldiers of the immortal Maceo, asking in glorious remembrance of his name, that you again swear you will live on the battlefield before you will live like cowards, yoked and tied, like the dispirited offspring of our forefathers, allowing a perfidious foreign flag to float where our shores should be marked only by the blessed emblem of the Lone Star.

"You who turned your backs on the vile metal which pretended to pay for the arms which cost so many sacrifices will know how to free them again should it be necessary, in defense of our just rights, because the great and powerful are small and cowardly when they face justice and truth. I shall always be first to die for you or carry you to glory."

"Your brother and general,"

"DUANY."

GOMEZ REFUSES AN OFFER.

General Maximo Gomez has refused the offer of Quintan de Los Molinos as a permanent residence, and has also stated that he will not use the furniture offered him. He has a house in Havana, where he will live with his family, and to which he will bring all his belongings. He wishes it to be generally known that he does not care to accept gifts.

ANOTHER CABLE.

El Diario de La Marina is authority for the statement that the Western Union Telegraph Company intends to lay another cable line to Havana, the cable to run from Miami, by way of Key West. The paper also announces that work on the new line will commence in the fall.

GREETING FOR DEWEY.

(By Telegraph to Virginian-Pilot.)
Trieste, July 18.—Addison C. Harris, U. S. Minister to Austria-Hungary, and Charles V. Herdlicka, Secretary of the American Legation, and Frank W. Mahin, Consul at Reichenberg, have arrived here to greet Admiral Dewey upon the Olympia reaching this port.

Vienna, July 18.—Baron Von Spann, the Austrian chief admiral, has gone to Trieste to meet Admiral Dewey upon the latter's arrival.

Special dispatches received here announce that Admiral Dewey and nine of his officers will go to Carlsbad to take the cure for gastric troubles.

Elected Secretary Baptist Mission Board.

(By Telegraph to Virginian-Pilot.)
Atlanta, Ga., July 18.—Dr. F. H. Kerfoot, of Louisville, was to-day elected secretary of the Home Mission Board of the Southern Baptist Convention, succeeding Dr. L. T. Tichenor, who has been the recording secretary of the board for more than seventeen years.

Dr. Kerfoot said he felt a great inclination to accept the position of secretary, but that he could not make a definite reply to their proposition until he had tendered his resignation as a member of the faculty of the Southern Baptist Theological Seminary at Louisville, should he decide to do so. The members of the board believe, however, that he will accept.

Dr. Kerfoot left for Louisville tonight.

N. Y. ex-King Dies.

(By Telegraph to Virginian-Pilot.)
London, July 19.—According to the Daily Mail's Rome correspondent, absolute confirmation has been obtained that ex-King Milan, of Servia himself planned the sham attempt upon his life recently made, for political purposes.

The correspondent also says that the Austrian government has decided to invite Milan to voluntarily exile himself from Servia in order to prevent further trouble.

New Type of Machine Guns.

(By Telegraph to Virginian-Pilot.)
Washington, D. C., July 18.—The Navy Department has received the first half of an order for 100 new machine guns of a new type, the most powerful in the possession of any government. They are one-pounders, carrying an explosive shell and can fire 250 shots a minute. They are cooled by a water jacket and it is said that they can put fifty shots into the head of a barrel at half a mile in a quarter of a minute.

The Chippewa Copper Mining Co., located near Brule township, Wis., has arranged to build the necessary buildings. T. A. Woodward, secretary, may be addressed at Boston, Mass.

AFFAIRS IN SAMOA

Three Chiefs Wounded in a Fight on the Fourth.

Chief Justice Chambers Resigns—The Question of Succession—The Commissioners Blamed—Mataafa Partisans Will Fight Kingship Question—Count Defied.

(By Telegraph to Virginian-Pilot.)

Apia, Samoa, July 11, via Auckland, N. Z., July 18.—In fighting which occurred at Sotafa, in the Sautales district, July 4th, one Mataafa chief was mortally wounded and two Mataafa chiefs and one Sautale were killed and three others wounded. The British cruiser Tauranga and the German cruiser Cormoran arrested three chiefs and brought them to Apia for trial before the Supreme Court.

RESIGNATION OF CHAMBERS.

The joint commissioners will leave for Washington July 18th. Chief Justice Chambers will leave for San Francisco on the steamer Mauna on July 14th. Not desiring to return, he has sent his resignation to President McKinley, who does not wish to accept it.

The question whether this constitutes a vacancy in the Chief Justiceship is being discussed by the commissioners. Dr. Solf claims that he will preside over the Supreme Court if Chambers leaves the island. If there is no vacancy then either Hunter or Mair may be designated to fill the chief justiceship.

COMMISSIONERS BLAMED.

The commissioners are blamed for not ordering the restitution of loot taken by rebels.

Mataafa partisans among the rebels are raising funds to fight the kingship question through lawyers, and are contending for obtaining a re-election. Mataafa, however, accepts the abolition of the kingship and will be present at a meeting with the commissioners on Savaati Island. His supporters request the dismissal of Chief Justice Chambers and defy the order of the Supreme Court.

The international commissioners are to-day at Lufilufi, meeting Mataafa and Atua chiefs.

TICKS FROM THE WIRES

Victoria, B. C.—The steamer Garrone passed up the Straits about noon, took a pilot and continued to Vancouver. The purser says there are 600 passengers on board and three million dollars.

Proctoria—The Volkraad, in secret session to-day, adopted the seven-years' franchise proposition.

Washington, D. C.—The resident to-day appointed Joshua E. Wilson postmaster at Florence, S. C.

Words of Want Wisdom.

When you want work, do you ask for it, or do you try to hide away from it?

Do you go where work is to be had, or where there isn't any?

When you advertise for work, do you advertise where nobody expects you to, or where the people who want work done always look for help?

Virginian-Pilot want columns are the recognized go-between of those who want and those who want to fill wants.

THE KAISER AND POOR RELATIONS.

The Kaiser has in his time played many parts and has not always been by endeared himself to his subjects. But his latest role ought to make him very popular with a large section of the community, for it is that of good fairy to poor relations.

The Emperor has declared that in future no charitable institutions are to accept legacies without first obtaining his consent. Furthermore, he has expressed the opinion that no wealthy persons with poor relations ought to leave their money outside the family circle. This practically means that charitable institutions will not be permitted to enrich institutions while the rich and the very well from the poor relations' point of view, but the German nation must tremble to think what their Emperor may do next. He may possibly decide that every man shall be bound to entertain his mother-in-law for so many weeks per annum, or that no party shall be given to which all the members of the host's family are not bidden.—Chicago News.

WINE OF CARDUI

HEALTH BROUGHT BACK.

ROBINSONVILLE, Miss., Nov. 2nd.

I was in bad shape for a long time, being worse after marriage. Could not do anything but lay around. I am now in good health and can do my housework without trouble. Wine of Cardui brought about the cure.

MRS. P. JONES.

WINE OF CARDUI

The woman who has neither strength nor spirit—who is unable to attend to her ordinary household duties—is to be pitied. Some unthinking folks will say she is lazy; that she is a poor housewife, and does not keep her rooms in a tidy condition. How can a sick woman be expected to keep her house as "neat as wax"? The wonder is that she can do anything. If men were afflicted with any troubles that dragged them down like "female troubles" drag women down, they wouldn't accomplish very much either. Wine of Cardui is the best medicine for the diseases and weaknesses of women. It cures where physicians and other medicines fail, and it cures right at home, without any necessity whatever for obnoxious local examinations so persistently urged by doctors. Household work is not a burden to healthy women, and Wine of Cardui makes home tasks easy by making wives well. It cures every menstrual disorder that women suffer from.

The Misses Bell

Complexion and Hair Specialists.

The brilliant complexions of women in the more exclusive circles of New York society are not explained by the theory that associates beauty and idleness. In fact, many leaders of the world of fashion are hard workers. Yet they keep their good looks even when they are old. How do they manage it? THE MISSES BELL, of 75 Fifth Avenue, New York, themselves connected with some of the most noted and honored families in the metropolis, have answered the question. They have prepared for the use of women in general, five preparations for improving the complexion and the hair.

Five Toilet Treasures.

The Misses BELL'S COMPLEXION TONIC

It is an external application, the presence of which on the face cannot be detected. It is perfectly harmless even to the most delicate skin. It is a sure and quick cure for all roughness and eruptions. It acts on the skin as a tonic, producing a naturally pure complexion. Comedones, pimples, freckles, blackheads, moth patches, liver spots, eczema, redness, oiliness and all discolorations and imperfections of the skin. Price, 50 cents per bottle.

The Misses BELL'S COMPLEXION SOAP

It is made from the pure oil of lamb's wool. It is healing and gratifying to the skin, keeping it at all times in a clean and healthy state. This Soap is daintily scented, and is a most welcome aid to the toilet of fastidious women. The utmost care is taken in selecting materials and scrupulous cleanliness in the laboratory insures the purity of the product. Price, 25 cents per cake, large four-ounce size.

The Misses BELL'S HAIR TONIC

cures dandruff and prevents any return of it; stops that maddening itching of the scalp and makes the hair strong, soft and lustrous. It is especially helpful to persons whose hair is thin, dry and liable to fall out. The tonic cleanses the skin about the roots of the hair; will soon cover bald spots with a handsome growth. Price, \$1 a bottle.

The Misses BELL'S CAPILLA-RENOVA

for restoring prematurely gray locks to their original color. It is not a dye nor a stain. It is a colorless liquid that is applied to the roots of the hair and leaves no telltale signs on the scalp or forehead. Neither does it change the color of the hair all at once. Only dyes do that. Growth. Price, \$1 a bottle.

The Misses BELL'S SKIN FOOD

is a soft, creamy, exquisitely perfumed ointment, which helps the action of the Tonic, and, in all cases of roughness, redness, pimples, etc., is a cure in itself. It clears the pores of the skin of all impurities and feeds it by building up the texture and making the flesh beneath it solid and firm. Price, 75 cents per jar.
